For sale is a spacious construction plot of 7,057 m² in an exceptionally attractive location, just 12 km from Poreč. Located in an area that offers all the conditions for a quality life and tourism activities, the land is ideal for the construction of multiple residential units.

The plot is situated on a gentle rise that offers an unobstructed view of the sea. Thanks to the terrain configuration and position, it is possible to design buildings with an emphasis on a panoramic experience of the space.

Infrastructure – including access roads, water, electricity, and sewerage – is in close proximity, which significantly simplifies the process of obtaining permits and starting construction.

According to spatial conditions, the construction of a ground floor and one upper floor (P+1) is permitted, with a maximum built-up area of 25%.
