We are selling an apartment with an area of 95 m² on the first floor of a residential building with a total of six units, located in a quiet residential area, 2 km from the center of Umag.

The apartment consists of two bedrooms, two bathrooms, a living room, and a kitchen with a dining area in an open-space concept. From the living area, there are exits to two balconies, which provide opportunities for outdoor living and relaxation with a view of the surroundings.

The building is newly constructed, built with special attention to quality and comfort. It features aluminum joinery with low-emission glass, electric shutters controlled by a remote or switch, and parking spaces equipped with electric vehicle connections. The building is also equipped with video surveillance and an elevator.

Heating is provided by a heat pump and underfloor heating.
