Price **1.150.000 €**

A beautiful property of 3,224 m² is for sale, consisting of 13 independent and interconnected houses with a captivating view of the hills, sea, vineyards, olive groves, and nature.

The residential area spans 1,962 m², while the yard occupies an additional 1,000 m². The property is equipped with all necessary infrastructure and has a conceptual design project for the construction and adaptation of all houses.

It is located in a peaceful area, just 6 km from the sea and 7 km from the nearest coastal town, making it very accessible and attractive for various purposes. Due to its excellent micro-location, this Istrian estate represents a great investment opportunity, especially for the realization of a decentralized hotel concept.

This oasis of peace is perfect for nature lovers and offers investors the possibility to build a luxurious residential complex or renovate it in a traditional style.

The seller of the property is a legal entity, and VAT is not included in the stated price.
