For sale is a construction plot measuring 1,881 m² in an excellent location near Poreč, just 12 km from the sea and the city. The land is situated in a settlement that offers all the necessary amenities for living or tourist rentals.

It is oriented towards the southwest, located on a slope, and is at the very edge of the construction zone. A project has been developed for the construction of a duplex – two smaller houses – on half of the land. Additionally, it is possible to build on the remaining part of the plot.

Infrastructure, including water, electricity, and sewage, is located directly next to the land.
