Price **550.000 €**

Located in an excellent area near Novigrad, just 10 km from the town and 7 km from the sea, two houses under construction are for sale, situated on a plot of 707 m², with each house having its own land of 353.5 m². The houses have the same layout and are designed as mirrored units, each with its own garden and swimming pool.

The living area of each house is 149 m² (gross 158.61 m²) and will span two floors.

On the ground floor, there will be an open-concept living space with a kitchen, dining area, and living room, leading out to a covered terrace of 18 m². This floor will also include a toilet and a technical room/storage. The terrace will lead to a landscaped yard, which is planned to have a swimming pool of 28 m² with a sunbathing area.

On the upper floor, there will be three bedrooms, each with its

own bathroom. This floor will also feature a covered terrace overlooking nature.

The houses will be equipped with underfloor heating and air conditioning, and there will be provisions for a heat pump for pool heating. They will be built according to modern construction and energy standards and will possess an energy certificate A+.

Each house comes with two parking spaces.

The price refers to one house and includes VAT, and the buyer does not pay property transfer tax.
