thermostat for individual temperature control.

On the ground floor, there is a reception area with a bar and a wellness zone that includes an indoor pool with counter-current swimming, a hot tub, a sauna, a massage area, and body treatment devices. The total area of the wellness section is approximately 300 m² and can easily be converted back into three apartments if the new owner desires.

The outdoor area features spacious terraces and an 85 m² swimming pool, set amidst greenery with palm trees and Mediterranean plants. The hotel also includes a private parking lot with 15 spaces.

The hotel is located in an exceptionally sought-after area of the Opatija Riviera, known for its long tradition of tourism and wellness offerings. Thanks to its excellent location and high level of amenities, this property represents an exceptional investment opportunity. At the buyer's request, local companies are available to take over the year-round management of the hotel.
