An attractive two-bedroom apartment with an area of approximately 82 m² is for sale in a smaller residential building with a total of 12 apartments, built in 1998, located in a quiet part of Funtana. The sea is just about 400 meters away and easily accessible on foot.

The apartment consists of a bright living room with an open kitchen and dining area, two bedrooms, and a bathroom with a bathtub. The living room opens onto a balcony that provides additional space for relaxation. The sloped ceilings give the apartment a special charm and a cozy attic feel.

The apartment is equipped with three air conditioning units, one in the living room and one in each bedroom, which serve for heating and cooling.

A parking space behind the building belongs to the apartment, and the property is connected to the sewage network.

All necessary amenities such as shops, bakeries, restaurants, and beaches are nearby, making this property ideal for living, vacationing, or tourist rentals.
